

## About the 2018 Seminar Series

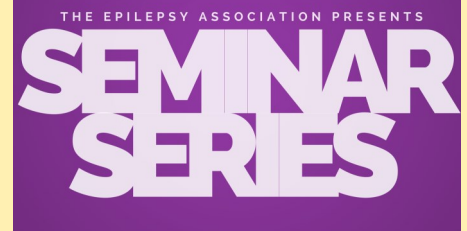

The Seminar Series is a set of consumer-focused educational meetings that address timely issues affecting those with epilepsy and their families. These seminars feature presentations by neurologists and other professionals on relevant epilepsy related topics.

Seminars are held throughout the year and are about 90 minutes in length, which includes a Q&A session with the speaker.

The cost is \$5 per seminar and lunch is included. Seating is limited and to reserve your spot, visit [www.epilepsyinfo.org](http://www.epilepsyinfo.org).

2831 Prospect Ave.,E, Cleveland, OH 44115  
[www.epilepsyinfo.org.com](http://www.epilepsyinfo.org.com) | 216.579.1330

*The Epilepsy Association shares its building with the Kidney Foundation of Ohio and free street parking is available on Prospect Ave.*
