

# ABOUT THE 2023 SEMINAR SERIES

The Seminar Series is a set of consumer focused educational meetings that address timely issues affecting those with epilepsy and their families. These seminars feature presentations by neurologists and other professionals on relevant epilepsy topics.

Seminars are held throughout the year and are about 60 minutes in length, which includes a Q&A session with the speaker.

All 2023 seminars will be held remotely via Zoom video conferencing.

Registration is FREE.

Visit [www.epilepsyinfo.org/seminars](http://www.epilepsyinfo.org/seminars) to reserve your spot in our online seminar group today! Call 2165791330 with any questions.
