

PARTICIPANTS NEEDED FOR MEMORY RESEARCH

DO YOU HAVE EPILEPSY? IF SO, WE WANT YOUR HELP IN THE DEVELOPMENT OF A NEW MEASURE FOR THE ASSESSMENT MEMORY.

My name is Logan Eskew. I am currently working with Dr. Amir Poreh, a Professor at Cleveland State University, on examining the usefulness of a new measure for memory in determining the location of epileptic seizures.

If you are a person with Temporal Lobe Epilepsy and are interested in assisting us with this research, please contact me.

You must be 18 years old and have epilepsy to participate in this study.

Your responses will be confidential.

You are welcome to invite others to participate in this study if they are over the age of 18 and have epilepsy.

Please contact me, Logan Eskew, with any questions you may have at (216) 645-0037, or leskew13@gmail.com.

If you wish to direct any questions to Dr. Amir Poreh, please feel free to do so at (216) 687-3718, or a.poreh@csuohio.edu.
